RAILCAR LEASE

THIS RAILCAR LEASE dated as of March 31, 1995 (the "*Lease*"), by and between FIRST SECURITY BANK OF UTAH, NATIONAL ASSOCIATION, a national banking association, not in its individual capacity but solely as Owner Trustee under the Trust Agreement dated as of March 31, 1995 with NICHIMEN AMERICA INC., a New York corporation (the "*Lessor*"), and THE DETROIT EDISON COMPANY, a Michigan corporation (the "*Lessee*").

WHEREAS, Lessee has selected 487 new rotary dump, doubletub aluminum gondola railcars as more specifically described in the Lease Supplements to be delivered on each Closing Date for purchase from Seller and intends to assign to Lessor, pursuant to the Acquisition Agreement, its right to purchase such railcars; and

WHEREAS, Lessor will purchase such railcars on each Closing Date;

In consideration of the mutual covenants and agreements hereinafter set forth, the parties hereto agree as follows:

SECTION 1. DEFINITIONS.

For purposes of this Lease, capitalized terms used herein shall have the meanings assigned to them in Annex 1 hereto, as the same may be amended from time to time (such definitions to be equally applicable to both the singular and plural forms of the terms defined). Any term defined by reference to an agreement, instrument or other document shall have the meaning so assigned to it whether or not such document is in effect. Unless otherwise indicated, references without qualification in this Lease to sections, paragraphs, clauses, appendices, schedules and exhibits are to the same contained in or attached to this Lease.

SECTION 2. AGREEMENT FOR LEASE OF EQUIPMENT.

Subject to, and upon all of the terms and conditions of this Lease, Lessor hereby agrees to lease to Lessee and Lessee hereby agrees to lease from Lessor each Item of Equipment for the Lease Term.

SECTION 3. DELIVERY AND ACCEPTANCE OF EQUIPMENT.

Lessor shall not be liable to Lessee for any failure or delay in obtaining any Item of Equipment or making delivery thereof. Upon execution and delivery of a Lease Supplement substantially in the form attached hereto as Exhibit B by Lessor and Lessee, the Items described therein shall be deemed to have been delivered to and accepted by Lessee as agent for Lessor under the Acquisition Agreement and for all purposes of this Lease, and thereupon shall be subject to all of the terms, provisions and conditions of this Lease.

Lessee's execution and delivery of a Lease Supplement shall be evidence that the Items of Equipment listed therein have been subjected to this Lease on the terms hereof. Lessee's execution and delivery of a Lease Supplement with respect to an Item of Equipment pursuant to this Section 3 shall conclusively establish that, as between Lessor and Lessee, but without limiting or otherwise affecting Lessor's or Lessee's rights, if any, against any other Person, such Item of Equipment is acceptable to and irrevocably accepted by Lessee under the Lease, notwithstanding any defect with respect to design, manufacture, condition or any other matter or the failure of any such Item of Equipment to comply to the specifications applicable thereto or to all applicable federal or state governmental standards including, without limitation, any imposed by the United States Department of Transportation and ICC requirements and specifications, if any, or to all standards recommended by the AAR applicable to railroad equipment of the character of the Equipment as of the date hereof, and that, as between Lessor and Lessee, such Item of Equipment is in good order and condition.

SECTION 4. LEASE TERM.

The interim term (the "*Interim Term*") for each Item of Equipment shall commence on the Acceptance Date for such Item of Equipment and shall terminate on October 25, 1995 unless this Lease is sooner terminated with respect to such Item pursuant to the provisions hereof. The basic term (the "*Basic Term*") for each Item of Equipment shall commence on October 26, 1995 (the "*Basic Term Commencement Date*") for such Item and, unless this Lease is sooner terminated with respect to such Item (or all Equipment) pursuant to the provisions hereof, shall terminate at 11:59 P.M. (New York City time) on October 25, 2015. If not sooner terminated pursuant to the provisions hereof, the Lease Term for each Item of Equipment shall end on the last day of the Basic Term thereof, or if this Lease is renewed pursuant to Section 25(a) hereof, on the last day of the last Renewal Term thereof.

SECTION 5. RETURN OF EQUIPMENT.

(a) *Return of Equipment upon Expiration of Term.* Upon the expiration or earlier termination of the Lease Term with respect to each Item of Equipment and *provided* the Lessor shall not have terminated this Lease pursuant to Section 19 hereof (and *provided, further*, in the case of the expiration of the Lease Term, that Lessee has not exercised its purchase option under Section 25(b) hereof), Lessee will deliver possession of each Item of Equipment to Lessor, at any of Lessee's generating or transshipment facilities or at such other location as designated by Lessee within a reasonable distance from Lessee's generating or transshipment facilities, in the condition described in Section 10 hereof. Delivery shall be in groups of at least 100 Items of Equipment. Each such group of Items of Equipment shall be returned to the Lessor on the expiration or earlier termination of the Lease Term with respect to such Items of Equipment. The location where each such Item shall be returned shall be specified in a written notice given by Lessor to Lessee at least sixty (60) days prior to such redelivery (each, a "*Redelivery Location*"). Any Item of Equipment delivered to a Redelivery Location shall be deemed to be redelivered hereunder on the date on which all of the Equipment shall have been delivered to such Redelivery Location in the

condition described in Section 10 hereof, *provided* that Lessor has given the notice set forth above. During the period of 240 days prior to the end of the Lease Term or any Renewal Term, Lessee will permit Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser or user of such Items of Equipment to inspect any or all of such Items of Equipment. Subject to the following paragraph, Fixed Rent or Renewal Rent, as the case may be, with respect to any Item of Equipment so deemed to have been redelivered shall cease to accrue. Each Item returned to the Lessor pursuant to this Section 5(a) shall (i) have had removed or painted over any name, logo or other special markings of the Lessee or any sublessee in a workmanlike manner and (ii) be free of all Liens except Lessor's Liens.

(b) *Return of Equipment upon Default.* If the Lessor shall terminate this Lease pursuant to Section 19 hereof, the Lessee shall forthwith deliver possession of the Equipment to the Lessor. For the purpose of delivering possession of any Item to the Lessor as above required, the Lessee shall at its own cost, expense and risk: (i) forthwith deliver such Items to not more than two (2) locations as the Lessor shall designate, and (ii) permit the Lessor to store such Items for a period of 360 days at such locations without charge for insurance, rent or storage, and during such period of storage the Lessee shall continue to maintain all insurance required by Section 16 hereof.

Each such Item will, when placed in storage and at all times while in storage, be in the condition required by Section 10 hereof and the Lessee shall take such actions as may be required by the Lessor to enable the Items to be sold or leased to a third party for use in interchange service under the Interchange Rules. Lessee agrees that no Item shall be considered to have been returned under this Section 5(b) until the Lessee has returned such Item in such condition.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this Section 5(b), the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority (which power is coupled with an interest), at any time while the Lessee is obligated to deliver possession of any Items of Equipment to the Lessor after the occurrence of an Event of Default, to demand and take possession of such Item in the name and on behalf of the Lessee from whomsoever shall be at the time in possession of such Item.

(c) *Holdover Rent; Storage Charges.* In the event any Item of Equipment is not returned as hereinabove provided as of the date of the expiration of the Lease Term or the Renewal Term with respect to such Item of Equipment, Lessee shall pay to Lessor, for each day thereafter as liquidated damages, and not as a penalty, for the failure of Lessee to return such Item of Equipment to Lessor at the expiration of the Lease Term as required by the provisions of Section 5(a), an amount equal to the daily equivalent of the arithmetic average of the Fixed Rent during the Basic Term for such Item of Equipment or, if the failure to return occurs after a Renewal Term, the arithmetic average of the rent paid during the Renewal Term for such Item of Equipment. Lessee shall also reimburse Lessor, upon demand, for all storage charges incurred by Lessor if any Item of Equipment is redelivered after the end of the Lease Term, until such time as all Items of Equipment shall have been

returned to Lessor as required hereby. The provision for such payment of such Rent and storage charges shall not be in abrogation of Lessor's right under Section 5(a) to have such Item of Equipment returned to it hereunder.

(d) *Essence of Lease.* The assembling and delivery of the Equipment as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble and deliver the Equipment.

(e) *Inspector.* If the Lessor shall so request, the Lessor and Lessee shall hire an expert in railcar maintenance mutually acceptable to Lessee and Lessor (the "*Inspector*") whose fee shall be born equally by both Lessor and Lessee, to determine whether or not such Item or Items are in compliance with Section 5(a); *provided* that (a) the Inspector shall apply reasonable railroad standards in determining the foregoing and (b) the Lessor shall request to hire such inspector within 10 days after such Item is returned to the Lessor. If the Inspector determines that any Item of Equipment is not in compliance with Section 5(a) (x) Lessee shall as promptly as practicable and at its own cost cause such Item to so comply in the opinion of the Inspector and (y) Lessee shall pay to the Lessor the amounts required by Section 5(c). In the event that Lessor and Lessee are unable, within 15 days of Lessor's request for an Inspector, to agree upon an acceptable Inspector, this Section 5(e) shall be considered null and void.

SECTION 6. ADVANCE AND RENT.

(a) *Advance.* In the event the Owner Participant fails to pay the full amount required to be paid by it pursuant to Section 2.1(b) of the Participation Agreement, Lessee hereby agrees to advance on October 26, 1995 an amount equal to the difference between (i) the amount that the Owner Participant shall be obligated to pay under and pursuant to Section 2.1(b) of the Participation Agreement, and (ii) the amount actually paid to the Security Trustee by the Owner Participant under and pursuant to Section 2.1(b) of the Participation Agreement. Subject to the provisions of Section 6(e), in the event that Lessee shall make such an advance due to Owner Participant's failure to pay the full amount required to be paid by the Owner Participant under Section 2.1(b) of the Participation Agreement, Lessee shall be entitled to offset such amount plus interest thereon at a rate per annum equal to the Late Rate plus 2% against payments of Fixed Rent until such time as Lessee has been paid or shall have so offset the amount of such advance, together with interest thereon. Any advance made by Lessee hereunder shall constitute a demand loan from Lessee to the Owner Participant that bears interest at the Late Rate plus 2%, and Lessee shall be entitled to all remedies available under applicable law to obtain repayment of such loan.

(b) *Fixed Rent.* Lessee hereby agrees to pay Lessor Fixed Rent for the use by Lessee of each Item of Equipment during the Basic Term, in consecutive semiannual installments, due and payable on each Rent Payment Date and continuing until the expiration or earlier termination of the Basic Term, with each such installment to be in an amount

equal to the product obtained by multiplying (i) the Purchase Price of such Item of Equipment by (ii) the applicable percentages set forth in Exhibit C attached hereto, such amounts to be in advance or arrears, as indicated on Exhibit C, for the semiannual period then ending or beginning, as the case may be. Lessee hereby agrees to pay Lessor Fixed Rent for each Item of Equipment during each Renewal Term thereof as specified in Section 25(a) hereof.

(c) *Supplemental Rent.* Lessee also agrees to pay to Lessor, or to whomever shall be entitled thereto, all Supplemental Rent, as the same shall become due and owing. Lessee shall also pay as Supplemental Rent an amount equal to any Make Whole Premium payable when due under the Security Agreement. Lessee shall also pay to Lessor (and, in the case of payments of Supplemental Rent payable to other Persons hereunder, such other Persons) on demand, as Supplemental Rent, to the extent permitted by applicable law, interest at the Late Rate on any part of any installment of Interim Rent or Fixed Rent or any amount due under Section 19 hereof not paid when due at or prior to the time specified for such payment for any period for which the same shall be overdue and on any payment of Supplemental Rent payable to the Note Purchasers or the Security Trustee and not paid when due for the period from the due date thereof until the same shall be paid and at a rate per annum equal to the Late Rate on any payment of Supplemental Rent payable to the Owner Participant or the Owner Trustee and not paid when due for the period from the due date thereof until the same shall be paid. The payment or satisfaction of Lessee's obligation with respect to Fixed Rent or any installment thereof shall not limit any obligation of Lessee which may have accrued during the Lease Term with respect to Supplemental Rent. In the event of any failure on the part of Lessee to pay any such Supplemental Rent hereunder Lessor shall have all rights, powers and remedies provided for herein or by law or equity or otherwise in the case of nonpayment of Fixed Rent.

(d) *Method of Payment.* All payments of Interim Rent, Fixed Rent and Supplemental Rent required to be made by Lessee to Lessor shall be made by 11:00 A.M. Wilmington, Delaware time on the date payment is due in United States dollars and in immediately available funds. If any such date is not a Business Day, then payment shall be due on the next succeeding Business Day and if paid on such Business Day by 11:00 A.M. Wilmington, Delaware time, such payment shall be without interest or penalty. In the event of any assignment pursuant to Section 13(b) hereof, all payments or right to payments which are properly assigned thereunder, whether Interim Rent, Fixed Rent, Supplemental Rent or otherwise, shall be paid to such address as shall be designated by Lessor and any such assignee. All payments of Rent (other than payments with respect to Excepted Rights in Collateral, which shall be paid to the Person entitled thereto) shall be paid by Lessee to Lessor at its office at First Security Bank of Utah, National Association, Salt Lake City, Utah, ABA No. 124000012, Attention: Corporate Trust Department, or as Lessor may otherwise direct from time to time in writing; *provided* that, so long as the Security Agreement shall not have been discharged pursuant to Section 12.4 thereof, Lessor hereby directs, and Lessee agrees, that all payments of Rent and all other amounts payable to Lessor hereunder (other than payments with respect to Excepted Rights in Collateral, which shall be paid to the Person entitled thereto) shall be paid directly to the Security Trustee at its office at Rodney Square North, Wilmington, Delaware 19890, Attention: Corporate Trust

Administration, or as the Security Trustee may otherwise direct, at such time so as to be received by the Security Trustee prior to 11:00 A.M. Wilmington, Delaware time on the date of payment.

(e) *Minimum Payments.* Notwithstanding anything to the contrary contained herein or in any other Operative Agreement, in all events and irrespective of any adjustment thereto, (i) the sum of any amount paid by the Owner Participant pursuant to Section 2.1(b) of the Participation Agreement plus the amount of any advance made by the Lessee pursuant to Section 6(a) hereof shall be at least equal to the amount of accrued interest due and payable on October 26, 1995 in respect of all Notes then outstanding, (ii) each installment of aggregate Fixed Rent payable with respect to all Items of Equipment then subject to this Lease on each Rent Payment Date shall be at least equal to the aggregate amount of principal and accrued interest due and payable on such date in respect of all Notes then outstanding and (iii) each payment of Stipulated Loss Value and Termination Value (when added to all other amounts required to be paid by the Lessee under this Lease in respect of any Event of Loss or termination of this Lease) shall be at least equal to an amount sufficient, as of the date of payment, to pay in full the principal of and premium, if any, and interest on all Notes due under the Security Agreement on account of such Event of Loss or termination. Nothing in this Section 6(e) shall be deemed to constitute a guarantee by Lessee of the indebtedness evidenced by the Notes or a guarantee of the residual value of any Item of Equipment.

(f) *Adjustments to Rent.* The percentages for Fixed Rent, Stipulated Loss Value and Termination Value set forth in Exhibits C and D have been calculated in part on the basis of the Pricing Assumptions. If (i) any such Pricing Assumption proves to have been incorrect, or (ii) Lessee elects to require a rental adjustment in respect of Indemnified Value-Added Taxes pursuant to and in accordance with Section 6(e) of the Participation Agreement in lieu of the payment of an indemnity to the Owner Participant, (iii) any Tax Law Change occurs, or (iv) at any time, the Lessee elects to refinance the Notes or any portion thereof, then such percentages for Fixed Rent, Stipulated Loss Value and Termination Value shall be adjusted (upward or downward) so as to preserve Owner Participant's Net Economic Return; *provided, however*, that, in the case of a rental adjustment made prior to a Closing Date, Lessee shall not be obligated to close on a Closing Date if any such adjustment pursuant to clause (iii) of this Section 6(f) which is to occur on or before such Closing Date, would result in an increase of more than 50 basis points in the net present value (calculated at a discount rate equal to the interest rate on the Notes) of Fixed Rent; *provided further*, that if any increase in the net present value of Fixed Rent pursuant to clause (iii) of this Section 6(f) results from a change in interpretation of law by any court or authority having competent jurisdiction over the parties to the Operative Agreements, and such interpretation is subsequently reversed on appeal or otherwise, Lessor shall immediately refund to Lessee any amounts received by Lessor from the IRS on account thereof and the percentages for Fixed Rent, Stipulated Loss Value and Termination Value shall be adjusted pursuant to this Section 6(f) and (g) appropriately to account for such refund. Any adjustments pursuant to this Section 6(f) shall (A) satisfy the provisions of Revenue Procedure 75-28 and any other applicable statutes, regulations, revenue procedures, revenue rulings or technical information releases relating to the subject matter of such

Revenue Procedure, (B) be made in a manner designed to avoid application of Section 467(b)(2) of the Code and any regulations thereunder or any other similar provision of Federal income tax law and not otherwise cause any adverse effect to Owner Participant under any Federal income tax law in effect at the time of such adjustment, (C) not adjust the Fixed Rent or the Stipulated Loss Values and Termination Values to an amount less than the Fixed Rent and Stipulated Loss Values and Termination Values required to enable Lessor to satisfy in full its obligations in respect of the Notes, (D) preserve the Owner Participant's Net Economic Return, (E) to the extent possible and not inconsistent with the foregoing, minimize the net present value of the remaining Fixed Rent (using a discount rate equal to the interest rate on the Notes) to the extent the foregoing criteria are met (subject to the requirements of Section 6(e) hereof) and (F) with respect to adjustments resulting from changes in Pricing Assumptions only, be made on or prior to the Basic Term Commencement Date. Lessor shall furnish to each holder of a Note and to the Security Trustee, at least ten (10) days prior to any adjustment of the Fixed Rent, Stipulated Loss Values and Termination Value pursuant to this Section 6(f), revised schedules of such Fixed Rent, Stipulated Loss Values and Termination Value, as so adjusted in such form as is provided to the Lessor by the Owner Participant.

(g) *Computation of Adjustments.* (i) Upon the occurrence of an event requiring adjustments to the percentages for Fixed Rent, Stipulated Loss Value and Termination Value pursuant to Section 6(f), Owner Participant shall make the necessary computations on a basis consistent with that used by Owner Participant in the computation of the percentages for Fixed Rent, Stipulated Loss Value and Termination Value in connection with the execution and delivery of the Participation Agreement and this Lease, taking into account only the event giving rise to the adjustments. Subject to paragraph (ii) of this Section 6(g), such adjustments shall be effective on the date Owner Participant shall have furnished to Lessee a certificate signed on behalf of Owner Participant by a responsible officer confirming that such adjustments have been properly computed in accordance with the provisions of this Lease, and shall remain effective until changed in consequence of any inaccuracy discovered in the course of any verification procedure conducted pursuant to paragraph (ii) of this Section 6(g); *provided* that any such notice of adjustment shall be given to Lessee at least 30 days prior to the Rent Payment Date next following such notice.

(ii) Within 30 days after Owner Participant shall have provided Lessee with a certificate pursuant to paragraph (i) of this Section 6(g), Lessee either shall confirm the accuracy of such computation or shall notify Owner Participant that such computation, and the resulting adjustments proposed by Owner Participant, are inaccurate. In the latter event, Owner Participant and Lessee agree to submit the matter to a nationally recognized lease advisory firm selected by the Owner Participant and reasonably acceptable to the Lessee, and the conclusion of such firm as to the proper adjustments shall be conclusive and binding on Lessee, Owner Participant and Lessor. All expenses incurred by Owner Participant and Lessee in connection with the verification procedures described in this paragraph (ii) shall be paid by Lessee, unless the adjustments of the percentages for Fixed Rent proposed by Owner Participant shall exceed the actual adjustments of such percentages, properly computed and confirmed, by more than 10%, in which case all such expenses shall be paid by Owner Participant. Each adjustment of the percentages for Fixed Rent, Stipulated Loss

Value and Termination Value shall be evidenced by the execution and delivery of a supplement to this Lease in form and substance satisfactory to Lessee, Lessor and Owner Participant, and shall be effective as provided herein without regard to the date on which such supplement to this Lease is so executed and delivered. So long as the Lien of the Security Agreement shall remain outstanding, copies of the certificates, proposed adjustments and final adjustments shall be forwarded by the Owner Participant to the Security Trustee.

SECTION 7. NET LEASE.

This Lease is a net lease and Lessee acknowledges and agrees that Lessee's obligations hereunder shall be absolute and unconditional under any and all circumstances and shall be paid without notice or demand and without any abatement, reduction, suspension, diminution, deferral, setoff, defense, counterclaim or recoupment whatsoever, including, without limitation, any abatement, reduction, suspension, diminution, deferral, setoff, defense, counterclaim or recoupment due or alleged to be due to, or by reason of, any past, present or future claims which Lessee may have against Lessor, Owner Participant, any assignee, Security Trustee, any vendor or manufacturer of the Equipment or any part or Item thereof, the holders from time to time of the Notes, or any other Person, either under this Lease or otherwise, for any reason whatsoever; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the obligations of Lessee be otherwise affected for any reason whatsoever, including any defect in or damage to or loss of possession or loss of use or destruction of the Equipment or any part or Item thereof, the condition, design, operation or fitness for use thereof, any Liens or rights of others with respect to the Equipment or any part or Item thereof, any prohibition or interruption of or other restriction against Lessee's use, operation or possession of the Equipment or any part or Item thereof, or any interference with such use, operation or possession by any Person or entity (including confiscation, requisition or other taking by any governmental authority, any person acting under governmental authority or otherwise, or action of any public or private person, whether by eviction by paramount title or for any other reason whatsoever), the invalidity or unenforceability or lack of due authorization of this Lease, or any other Operative Agreement, any defect in the title to, compliance with plans or specifications for condition, design or fitness for use of all or any of the Items of Equipment, any insolvency of or any bankruptcy, reorganization or other proceeding against Lessee, Lessor or any other person, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention and agreement of the parties hereto, and the basis of the bargain, that (to the extent permitted by applicable law) Interim Rent, Fixed Rent, Renewal Rent, Supplemental Rent and other amounts payable by Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless and until the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease (in the case of any return of the Equipment to the Lessor, any item of Equipment shall not be deemed to have been returned to the Lessor's possession until all of the Lessee's obligations with respect to the return thereof have been performed). To the extent permitted by applicable law, Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, (i) to terminate, cancel, quit or surrender this Lease of any of the Items

of Equipment and (ii) against the Owner Participant by reason of any defect to any Item of Equipment except in accordance with the express terms hereof. Each Interim Rent, Fixed Rent, Renewal Rent, Supplemental Rent or other payment made by Lessee hereunder shall be final and Lessee shall not seek to recover all or any part of such payment (except for any excess payment made in error) from Lessor, Owner Participant, Security Trustee, or any holder or former holder of a Note for any reason whatsoever.

Without limiting the generality of the foregoing, Lessee covenants that it will remain obligated under this Lease in accordance with its terms, and will not take any action to terminate (except in accordance with the express provisions hereof), rescind or avoid this Lease for any reason, notwithstanding any insolvency, bankruptcy, reorganization or other proceeding affecting Lessor or Owner Participant, or any property of Lessor or Owner Participant, or any action which may be taken by any receiver, trustee or liquidator (or other similar official) or by any court.

Nothing in this Section or in any other provision of this Lease shall preclude any separate, independent claim (not by way of abatement or reduction of any amount at any time payable by Lessee hereunder) by Lessee for the breach of any representation, covenant, undertaking or agreement made herein and in any other Operative Agreement for the benefit of Lessee by Lessor or Owner Participant.

SECTION 8. LESSOR'S TITLE; EQUIPMENT TO BE AND REMAIN PERSONAL PROPERTY.

Title to the Equipment shall at all times remain in Lessor and at no time during the Lease Term shall title become vested in Lessee. This Lease is and is intended to be a true lease and not a lease intended as security or a lease in the nature of a security interest. Lessee shall acquire no right, title or interest in or to the Equipment, except the right to use the same pursuant to the terms of this Lease. It is the intention and understanding of both Lessor and Lessee that the Equipment shall be and at all times remain personal property and be treated as a lease for federal income tax purposes.

SECTION 9. USE OF EQUIPMENT; COMPLIANCE WITH LAWS.

Lessee shall pay all costs, expenses, fees and charges incurred in connection with the use and operation of the Equipment during the lease thereof. Lessee agrees that the Equipment will be used and operated solely in the regular course of its or any affiliate's business and in compliance with all statutes, laws, ordinances, rules and regulations of any Federal, state or local governmental body, agency or authority applicable to the use and operation of the Equipment. If such laws or rules require any alteration, replacement or addition of or to any Item of Equipment, Lessee will conform therewith at its own expense. Lessee agrees not to operate or locate any Item of Equipment, or to suffer any Item of Equipment to be operated or located, in any area excluded from coverage by any insurance policy required by the terms of Section 16 hereof or to operate or locate any Item of Equipment in such a manner as to violate the terms of any insurance policy required by the terms of said Section 16, except in the case of a requisition for use by the United States

Government where Lessee (or any sublessee) has obtained, prior to the operation or location of the Item of Equipment in such area, indemnification or insurance in lieu of such indemnification from the United States Government against the risks and in the amounts required by, and in compliance with, Section 16 hereof covering such area.

Lessee shall procure and maintain in effect all licenses, registrations, certificates, permits, approvals and consents required by Federal, state or local laws or by any governmental body, agency or authority in connection with the use and operation of each Item of Equipment, including any instruments required by the AAR. Notwithstanding the foregoing sentence, however, Lessee will cause this Lease and the Security Agreement to be filed and recorded with the ICC and the Registrar General of Canada in accordance with 42 USC §11303 and Section 90 of the Railway Act of Canada, and will do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) this Lease and any and all amendments or supplements to this Lease, or otherwise with respect to or including any other Operative Agreement, in connection with any assignment or sublease pursuant to Section 13(a) or otherwise, any financing statements or similar instruments, and any and all further instruments required by law or reasonably requested by Lessor, for the purpose of protecting Lessor's title to any Item of Equipment to the satisfaction of Lessor and Lessor's counsel or for the purpose of carrying out the intention of this Lease, including, without limitation, any such filings and recordings as shall be necessary to evidence any change in name of Lessee or Lessor, or any merger or consolidation thereof. Lessee will pay all costs, charges and expenses incident to any such filing, refiling, recording and re-recording or depositing and redepositing of any such instruments or incident to the taking of such action, other than the fees and expenses of the Owner Participant and the Owner Trustee in connection with any such instruments requested by the Owner Participant solely for the benefit of the Owner Participant and not otherwise required under or anticipated by the Operative Agreements. This Lease shall be filed and recorded with the ICC prior to the delivery and acceptance hereunder of any Item and shall be filed with the Registrar General of Canada promptly thereafter.

The Equipment will at all times during the Lease Term be and remain in the possession and control of Lessee, subject to the terms of Section 13(a) hereof. Lessee shall operate the Equipment and permit the Equipment to be located only in the contiguous forty-eight states of the United States and Canada. Lessee shall not use and will not permit any other person to use any Equipment or allow the same to be used for any unlawful purpose. Lessee shall use and operate the Equipment or cause it to be used and operated only by personnel authorized by Lessee, and Lessee shall use every reasonable precaution to prevent loss or damage to each Item of Equipment from fire and other hazards. Lessee shall use the Equipment only in the manner for which it was designed and intended and so as to subject it only to ordinary wear and tear; *provided*, that the Lessee shall not use the Equipment and shall not permit the Equipment to be used to transport or store hazardous or toxic substances or materials (other than coal) or other substances or materials containing or contaminated by hazardous or toxic substances or materials; *provided, further*, that Lessee shall not

discriminate in any way against the Equipment as compared to equipment of a similar type that is owned or leased.

SECTION 10. MAINTENANCE AND REPAIR OF EQUIPMENT.

Lessee shall, at its own expense, (i) maintain and keep the Equipment in good physical condition and working order consistent with standard industry maintenance practice, and as otherwise may be required by any insurance policies maintained pursuant to Section 16 or to enforce warranty claims against each vendor and manufacturer of each Item of Equipment, ordinary wear and tear excepted; (ii) maintain the Equipment in accordance with the standards then in effect under (A) the Interchange Rules or similar successor guidelines of the AAR (the "*Interchange Rules*") and (B) regulations of the Federal Railway Administration, and at least equal to the standards of maintenance which Lessee performs on similar equipment owned or leased by Lessee, without discriminating in any way against the Equipment as compared to equipment of a similar type that is owned or leased; (iii) comply with all requirements of law or regulation applicable to the maintenance and condition of the Equipment; and (iv) maintain the Equipment in good operating condition commercially suitable for carrying the commodities for which such Equipment was designed.

SECTION 11. REPLACEMENTS; ALTERATIONS; MODIFICATIONS.

Lessee shall, at its sole expense, make all alterations, modifications, additions or attachments required by applicable law or regulation or deemed necessary by any Federal, state or local governmental agency or the AAR for the continued usefulness of the Equipment (a "*Required Modification*"). Lessee may, at its sole expense, make other alterations, modifications, additions or attachments to the Equipment as it may deem desirable in the conduct of its business so long as (x) the value, utility, residual value, useful life and condition of the Equipment is not diminished below the value, utility, residual value, useful life and condition thereof immediately prior to such alteration, modification, addition or attachment, assuming the Equipment was then in at least the condition and repair required to be maintained by the terms of this Lease, and (y) such alterations, modifications, additions or attachments do not cause any such Item to become a limited use property within the meaning of Revenue Procedure 76-30, 1976-2 C.B. 647 (or such other successor tax provision). So long as no Event of Default has occurred and is continuing, and so long as the value, utility, residual value, useful life and condition of the Equipment (exclusive of any such alterations, modifications, additions or attachments) is not reduced thereby, any such alteration, modification, addition or attachment, which was paid for by Lessee and not reimbursed or otherwise compensated for by Lessor, shall (subject to the next two sentences of this Section 11) remain the property of Lessee and may be removed by Lessee prior to return of the Equipment pursuant to Section 5 hereof. If any alteration, modification, addition or attachment to an Item of Equipment (i) is a replacement of existing parts constituting part of the Items of Equipment, (ii) was made in the course of ordinary and proper maintenance of the Items of Equipment, (iii) is required by Federal, state or local law or regulation or the AAR in order to permit the continued usefulness of the Equipment; or (iv) cannot physically be removed without damage to the Equipment, it shall become the

property of Lessor, and shall be subject to all the terms of this Lease. Upon termination of this Lease, Lessor shall have the option to purchase from Lessee any alterations, modifications, additions or attachments to any Item of Equipment not described in the preceding sentence at the Fair Market Sales Value of such alterations, modifications, additions or attachments, as the case may be. Notwithstanding anything herein to the contrary, if Lessee determines in good faith (as evidenced by a certificate of the President, any Vice President, the Manager of Fuel Supply or the Chairman of the Board of the Lessee) that any Required Modification to an Item of Equipment would be economically impractical, it may provide written notice of such determination to Lessor and then shall purchase the relevant Items of Equipment pursuant to Section 25(b)(ii) hereof.

SECTION 12. IDENTIFICATION MARKS; INSPECTION.

Lessee agrees, at Lessee's cost and expense and on or before the Acceptance Date for each Item of Equipment, to place markings on the Equipment by stencil or by a metal tag or plate affixed thereto in letters not less than one inch in height, a legend substantially as follows:

"TITLE TO THIS CAR IS VESTED IN A TRUSTEE AND SUBJECT TO A
SECURITY INTEREST IN FAVOR OF A SECURITY TRUSTEE AND
RECORDED WITH THE INTERSTATE COMMERCE COMMISSION."

with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect Lessor's title thereto and ownership thereof and the Security Trustee's interest therein; *provided, however*, that such identification markings are to be placed so as not to interfere with the usefulness and utility of such Item of Equipment. If during the Lease Term any such identification marking shall be defaced or destroyed, Lessee shall cause such defaced or destroyed identification marking to be restored or replaced. Lessee will cause each Item of Equipment to be kept numbered with the road number and serial number as shall be set forth in any Lease Supplement hereto extending this Lease to cover such Item of Equipment. Lessee shall not allow the name of any other Person to be placed on any Item of Equipment as a designation that might be identified as a claim of ownership or any other interest therein; *provided* that nothing herein contained shall prohibit Lessee or its permitted sublessees from placing its customary colors and insignia on any Item of Equipment or from naming each Item of Equipment. Lessee will not change the identification number of any Item of Equipment unless and until (i) a statement of a new number or numbers to be substituted therefor shall have been delivered to Security Trustee and Lessor and filed, recorded and deposited by Lessee in all appropriate public offices, including the public offices where this Lease and the Security Agreement shall have been filed, recorded and deposited, and (ii) Lessee shall have furnished Lessor and Security Trustee an opinion of counsel in form and substance reasonably satisfactory to them to the effect that such statement has been so filed, recorded and deposited and that such filing, recordation and deposit will protect Lessor's interest in such Items of Equipment and the security interest of the Security Trustee under the Security Agreement. Upon the reasonable request of Lessor, Lessee shall make the Equipment available to Lessor for inspection and shall also make Lessee's records pertaining to the Equipment reasonably available to Lessor

for inspection, it being understood and agreed that Lessor shall have no obligation to make such inspection and shall incur no liability for failure to do so. During the continuance of a Default or an Event of Default, such inspection shall be at Lessee's expense.

SECTION 13. ASSIGNMENTS AND SUBLEASES.

(a) *By Lessee.* Lessee will not, without the prior written consent of Lessor and the Security Trustee, assign its lease of any Item of Equipment, or transfer or encumber its rights or obligations hereunder, and any attempted assignment, transfer or encumbering by Lessee shall be null and void; *provided, however,* subject to the receipt of any necessary regulatory approvals, Lessee may, so long as no Default or Event of Default shall have occurred and be continuing, assign its lease of any Item of Equipment to any entity with the prior written consent of Lessor and the Security Trustee; and *provided, further,* subject to the receipt of any necessary regulatory approvals, Lessee may so long as no Default or Event of Default shall have occurred and be continuing, without the prior consent of Lessor or the Security Trustee, assign or transfer its leasehold interest in any Item of Equipment to any Affiliate in its own consolidated tax group or to any entity with which Lessee shall have become merged or consolidated or which shall have acquired all or substantially all of the electric power generation and transmission properties of Lessee, in accordance with customary industry practice so long as such assignment or transfer does not cause the Items of Equipment to be "tax-exempt use property" within the meaning of Section 168(h) of the Code, so long as such assignment or transfer does not extend beyond the end of the Lease Term and so long as such assignee shall have duly assumed the obligations of the Lessee under the Lease; and *provided, further,* that subject to the receipt of any necessary regulatory approvals, Lessee may, so long as no Default or Event of Default shall have occurred and be continuing, without the prior consent of Lessor or the Security Trustee, sublease any Item of Equipment to, or permit the use of any Item of Equipment by, any railroad company or other Person incorporated under the federal laws or the laws of any state of the United States, in each case for a period not to exceed either (i) 180 consecutive days or (ii) an aggregate of 12 months out of any 24-month period, in each case including renewal options with respect to any such sublease or use arrangement, in accordance with customary industry practice, so long as such sublease or use does not cause the Item of Equipment to be "tax-exempt use property" within the meaning of Section 168 (h) of the Code and so long as such sublease or use does not extend beyond the end of the Lease Term. Any such sublease, assignment, transfer or use shall not be in conflict with any of the terms and conditions of this Lease and Lessee's obligations hereunder shall continue in full force and effect as the obligations of a principal and not of a surety irrespective of such sublease, assignment, transfer or use. Each sublease, assignment, transfer or use permitted by this paragraph shall be expressly subject and subordinate to all of the provisions of this Lease and to the rights and remedies of the Security Trustee under the Security Agreement and Lessor under this Lease in respect of the Items of Equipment covered by such sublease, assignment, transfer or use.

(b) *Transfers by Lessor or Owner Participant.* Lessor and Owner Participant shall not be entitled to transfer their respective interests in this Lease and the Trust Estate other than the assignment of this Lease by the Lessor to the Security Trustee pursuant to the

Security Agreement except in compliance with Section 3.11 of the Trust Agreement, with respect to Lessor, and Section 3.6(d) of the Participation Agreement, with respect to Owner Participant. No such transfer by Lessor or Owner Participant shall interfere with Lessee's rights under this Lease with respect to Lessee's use of the Items of Equipment. Lessee shall provide such information concerning the location of the Equipment as Lessor may reasonably request in connection with any such transfer.

Upon written notice by Lessor to Lessee of any such sale or assignment, Lessee shall thereafter make payments of all Fixed Rent and other sums due hereunder to the party specified in such notice and such payments shall discharge the obligation of Lessee to Lessor hereunder to the extent of such payments. Lessee shall be under no obligation to any assignee of Lessor, except upon written notice of such assignment to Lessee. Lessee hereby acknowledges and consents to the security interest and other rights and interests granted to the Security Trustee pursuant to the Security Agreement. Such notice is hereby given of the assignment of this Lease and all Rent and other payments to be made to the Lessor hereunder (other than Excepted Rights in Collateral) to the Security Trustee under and pursuant to the Security Agreement, and the Lessee agrees to make all payments of Rent in accordance with the provisions of Section 6(d). Upon any such sale or assignment under this Section 13(b), Lessee shall not be required to execute any documents in connection therewith other than a form of acknowledgment, any required Uniform Commercial Code Financing Statements or any filings required by the ICC or AAR. Any expenses incurred in connection with any such sale or assignment shall be borne solely by Lessee if an Event of Default has occurred and is continuing, otherwise solely by Lessor. Lessee shall not be required to prepare any documents in connection with any such sale or assignment.

SECTION 14. LIENS.

Lessee represents and warrants to Lessor that at the time an Item of Equipment is accepted by it under the Lease, such Item will be free and clear of all Liens except Permitted Encumbrances described in clauses (i) and (iv) of the definition thereof, it being understood that a claim by the Seller against the Equipment, even if not 30 days past due, is not a Permitted Encumbrance. Lessee will not create, incur, assume or suffer to exist any Lien on or with respect to the Equipment or any part or Item thereof, Lessor's title thereto, or any interest therein, except Permitted Encumbrances. Lessee, at its own expense, will pay, satisfy and otherwise take such actions as may be necessary to keep the Equipment free and clear of, and to duly discharge or eliminate or bond in a manner satisfactory to Lessor, any such Lien other than Permitted Encumbrances if the same shall arise at any time during the Lease Term. Lessee will notify Lessor upon becoming aware of any tax or other Lien (other than any Lien excepted above) that shall attach to the Equipment or any Item of Equipment.

SECTION 15. LOSS, DAMAGE OR DESTRUCTION.

(a) *Risk of Loss, Damage or Destruction.* Lessee hereby assumes all risk of loss, damage, theft, taking, destruction, confiscation or requisition, partial or complete, of or to

each Item of Equipment, however caused or occasioned, such risk to be borne by Lessee with respect to each Item of Equipment from the Acceptance Date, and continuing until the expiration or early termination of the Lease Term and until the Item or Items of Equipment shall have been returned in accordance with Section 5 hereof. Lessee shall promptly notify Lessor of any loss or casualty damage (other than any such loss or damage which constitutes an Event of Loss) to any Item or Items of Equipment where such loss or damage is estimated to exceed the amount of self-insurance or deductible amount maintained by the Lessee pursuant to and in accordance with Section 16 hereof. Lessee shall, within 90 days of notifying Lessor of such loss or casualty damage, notify Lessor that Lessee intends to repair such Item or Items of Equipment and provide Lessor with an estimated cost and time frame with respect to such repairs.

(b) *Replacement or Payment of Stipulated Loss Value upon an Event of Loss.* If an Event of Loss occurs with respect to an Item or Items of Equipment during the Lease Term, Lessee shall, promptly and in any event within ninety (90) days after the occurrence of such Event of Loss, inform Lessor and Owner Participant in regard thereto and of its election to perform one of the following options (it being agreed that if Lessee shall not have given notice of such election within ninety (90) days after such occurrence or if a Default or an Event of Default then exists or if an Event of Loss as described in clause (vi) of said definition shall have occurred and be continuing, Lessee shall be obligated to perform the option set forth in the following paragraph (ii)):

(i) as promptly as practicable, and in any event on or before the Business Day next preceding the 180th day following the date of such Event of Loss, in replacement for such Item of Equipment, Lessee shall comply with Section 15(d) hereof and shall convey or cause to be conveyed to Lessor a Replacement Item to be leased to Lessee hereunder, such Replacement Item to be free and clear of all Liens (other than Permitted Encumbrances referred to in clauses (i) and (iv) of the definition of such term), to be of a similar make and model and made of aluminum and to have the same or a larger capacity as the Item so replaced and to have a fair market value, utility, residual value and remaining useful life at least equal to the Item so replaced (assuming such Item was in the condition required to be maintained by the terms of this Lease); *provided that*, as a condition to Lessee's election to replace any Item of Equipment pursuant to this paragraph (i), on the Rent Payment Date next following such notice of such Event of Loss, Lessee shall pay the Stipulated Loss Value for such Item (computed as of such Rent Payment Date) to Lessor or, so long as the Lien of the Security Agreement shall not have been satisfied and discharged, to the Security Trustee to be held in escrow (but as part of the Collateral) pending the replacement of such Item in compliance with this paragraph (i) and Section 15(d) hereof (it being agreed that, upon the replacement of such Item in compliance with this paragraph (i) and Section 15(d) hereof, such Stipulated Loss Value shall be returned to Lessee); and *provided further* that if Lessee shall not perform its obligation to effect such replacement under this paragraph (i) during the period of time provided herein, then such Stipulated Loss Value shall be retained by Lessor or, so long as the Lien of the Security Agreement shall not have been satisfied and discharged, the Security Trustee for application in accordance with Section 5.1(d) of

the Security Agreement and Lessee shall pay, on the next succeeding Rental Payment Date after the end of such period, to Lessor or, in the case of Supplemental Rent, to the person entitled thereto, the amounts specified in clauses (B) and (C) of paragraph (ii) below; or

(ii) on the Rent Payment Date next following such Event of Loss, Lessee shall pay (A) the Stipulated Loss Value for such Item (computed as of such Rent Payment Date), *plus* (B) the Fixed Rent and any Supplemental Rent due for such Item of Equipment on such Rent Payment Date, *plus* (C) all accrued and unpaid Fixed Rent and any Supplemental Rent owing for such Item of Equipment through any prior Rent Payment Date.

Lessee agrees (i) to indemnify the Owner Participant on an after-tax-basis for any adverse tax consequences resulting from the replacement of any Item pursuant to this Section 15 and (ii) to pay all legal and other expenses in connection with the replacement of any Item pursuant to this Section 15.

(c) *Rent Termination.* Upon the sale, retention or replacement of any Item or Items of Equipment in compliance with this Section 15 or upon the payment of all sums required to be paid pursuant to Section 15(b)(ii) hereof in respect of any Item or Items for which the Lessee has elected to pay or has been deemed to have elected to pay pursuant to the proviso to Section 15(b)(i) the amounts specified in Section 15(b)(ii), the Lease Term with respect to such Item or Items and the obligation to pay Fixed Rent for such Item or Items accruing subsequent to the date of payment of the Stipulated Loss Value for such Item or Items pursuant to Section 15(b)(ii) shall terminate; *provided* that Lessee shall be obligated to pay all Rent in respect of such Item or Items which has accrued up to and including the date of payment of such Stipulated Loss Value pursuant to Section 15(b)(ii); and *provided further*, if the replacement of any Item or Items of Equipment in accordance with this Section 15 occurs, or if the payment of all sums required to be paid pursuant to Section 15(b)(ii) hereof is due and payable, after the expiration of the Lease Term, then, in either case, Lessee shall pay to Lessor, for each day after the expiration of the Lease Term until such time that such replacement or payment, as the case may be, has been made, an amount equal to the daily equivalent of the arithmetic average of the Fixed Rent during the Basic Term for such Item or Items or, if the Lease expired after a Renewal Term, the arithmetic average of rent paid during such Renewal Term for such Item or Items; *provided further, however*, that where payments in respect of the daily equivalent of Rent are made under this Section 15(c) with respect to any Item or Items of Equipment, no payments shall be due from Lessee under the first sentence of Section 5(c) hereof with respect to such Item or Items of Equipment.

(d) *Disposition of Equipment; Replacement of Item.* (i) Upon compliance with all requirements of this Section 15 in respect of any Item or Items of Equipment subject to an Event of Loss, Lessor will convey to Lessee or its designee all right, title and interest of Lessor in and to such Item or Items, "as is", "where is", without recourse or warranty, except for a warranty against Lessor's Liens, and shall execute and deliver to Lessee or its designee, at Lessee's expense, such bills of sale and other documents and instruments as

Lessee or its designee may reasonably request to evidence such conveyance. As to each separate Item so disposed of, so long as no Default or Event of Default shall have occurred and be continuing, any payments received by Lessor or by Lessee from any insurer or other party (except Lessee) as a result of the occurrence of such Event of Loss will be applied in reduction of Lessee's obligation to pay the amounts described in Section 15(b)(ii)(A), if not already paid by Lessee, or, if already paid by Lessee, will be applied to reimburse Lessee for its payment of such amount, and any such payments in excess of the amounts described in Section 15(b)(ii)(A) shall be paid to or retained by Lessor, and after the occurrence and continuance of a Default or an Event of Default such payments shall be paid to the Security Trustee so long as the Lien of the Security Agreement shall not have been discharged and thereafter shall be paid to the Lessor; *provided however*, that Lessee shall be entitled to share in any excess such that Lessee's share will be calculated as the product of (x) any excess of the amounts described above and (y) one minus a fraction having as its numerator the number of years of the Basic Term, together with any fractions thereof, which have elapsed to the date of availability of any such excess funds and a denominator equal to the total number of years of the Basic Term.

(ii) At the time of or prior to any replacement of any Item, Lessee, at its own expense, will (A) furnish Lessor with a bill of sale and an assignment of warranties with respect to the Replacement Item, (B) cause a Lease Supplement substantially in the form of Exhibit B hereto, subjecting such Replacement Item to this Lease, duly executed by Lessee, to be delivered to Lessor for execution and, upon such execution, to be filed for recordation in the same manner as the original Lease Supplement, (C) so long as the Lien of the Security Agreement shall not have been satisfied and discharged, cause a Security Agreement Supplement substantially in the form of Exhibit B to the Security Agreement for such Replacement Item, to be delivered to Lessor and to the Security Trustee for execution and, upon such execution, to be filed for recordation in the same manner as the original Security Agreement Supplement, (D) so long as the Lien of the Security Agreement shall not have been satisfied and discharged, cause a financing statement or statements with respect to the Replacement Item to be filed in such place or places as necessary in order to perfect the security interest therein created by or pursuant to the Security Agreement and precautionary Uniform Commercial Code financing statements naming Lessee as debtor, the Owner Trustee as secured party and the Security Trustee as assignee of the secured party to be filed in such public offices as are deemed necessary or appropriate by the Security Trustee, the Owner Trustee and the Owner Participant to perfect the right, title and interest of the Security Trustee as assignee of the Owner Trustee in the Equipment, (E) furnish Lessor with an opinion of Lessee's counsel, to the effect that (x) the bill of sale referred to in clause (A) above constitutes an effective instrument for the conveyance of title to the Replacement Item to Lessor, (y) good and marketable title to the Replacement Item has been delivered to Lessor, free and clear of all Liens (other than Permitted Encumbrances referred to in clauses (i) and (iv) of the definition of such term), and (z) all filings, recordings and other action necessary or appropriate to perfect and protect the Lessor's and the Security Trustee's respective interests in the Replacement Item have been accomplished and (F) furnish Lessor with a certificate of a qualified independent appraiser reasonably acceptable to Lessor (or such other Person as shall be mutually agreed to by Lessee and Lessor and, if so mutually agreed to, may be the system chief mechanical officer of Lessee)

certifying that the Replacement Item has a fair market value, utility, residual value and remaining useful life at least equal to the Item so replaced (assuming such Item was in the condition required to be maintained by the terms of this Lease) and setting forth a reasonable basis for such conclusion in reasonable detail. For all purposes hereof, upon passage of title thereto to Lessor, the Replacement Item shall be deemed part of the property leased hereunder and the Replacement Item shall be deemed an "Item" of Equipment as defined herein. Upon passage of title to any Item of Equipment, whether in connection with the replacement of such Item of Equipment or in connection with the payment of all sums required to be paid pursuant to Section 15(b)(ii) hereof with respect to such Item of Equipment, Lessor will transfer to Lessee, without recourse or warranty (except as to Lessor's Liens), all Lessor's right, title and interest in and to such Item, and upon such transfer, Lessor will request in writing that the Security Trustee execute and deliver to Lessee an appropriate instrument releasing such Item from the lien of the Security Agreement and releasing the Assignment of Warranties with respect to such Item from the assignment and pledge under the Security Agreement. As to each separate replaced Item, so long as no Default or Event of Default shall have occurred and be continuing, Lessee or its designee shall be entitled to any awards, insurance or other proceeds and damages received by Lessee, Lessor or the Security Trustee with respect to such replaced Item after having replaced such Item.

(e) *Application of Payments Not Relating to an Event of Loss.* So long as no Default or Event of Default shall have occurred and be continuing, any payments (including, without limitation, insurance proceeds) received at any time by Lessor or Lessee from any governmental authority or other party with respect to any loss or damage to any Item or Items of Equipment not constituting an Event of Loss will be applied directly in payment of repairs or for replacement of property in accordance with the provisions of Sections 10, 11 and 16 hereof, if not already paid by Lessee, or if already paid by Lessee, shall be applied to reimburse Lessee for such payment, and any balance remaining after compliance with said Sections with respect to such loss or damage shall be retained by Lessor, and after the occurrence and continuance of a Default or an Event of Default such payments shall be paid to the Security Trustee so long as the Lien of the Security Agreement shall not have been discharged and thereafter shall be paid to the Lessor; *provided, however*, that Lessee shall be entitled to share in any excess such that Lessee's share will be calculated as the product of (x) any excess of the amounts described above and (y) one minus a fraction having as its numerator the number of years of the Basic Term, together with any fractions thereof, which have elapsed to the date of availability of any such excess funds and a denominator equal to the total number of years of the Basic Term. Lessee's obligation to pay all installments of Rent and other sums shall continue for the duration of such requisitioning or taking unless and until the payment in full of the amounts due under Section 15(b)(ii).

SECTION 16. INSURANCE.

As part of an insurance program including risk retention and self-insurance, Lessee will, at all times prior to the return of the Equipment to Lessor, at its own expense, cause to be carried and maintained (i) property damage insurance in respect of the Equipment at the time subject hereto and (ii) public liability insurance with respect to third-party personal and

property damage, and Lessee will continue to carry such insurance in such amounts and for such risks and with such insurance companies and subject to such self-insurance consistent with prudent industry practice by public utility companies similar to Lessee, but in any event not less comprehensive in amounts and against risks customarily insured against by Lessee in respect of equipment owned or leased by it similar in make and model to the Equipment.

Lessee may from time to time self-insure in accordance with its then-current fleet wide practice by way of deductible, premium adjustment or franchise provisions or otherwise in respect of the insurance policies covering the risks required to be insured against pursuant to this Section 16; *provided, however*, that during any period when (a) any debt security issued by Lessee is rated lower than Baa3 by Moody's Investors Service, Inc., lower than BBB- by Standard & Poor's Rating Group, or lower than the equivalent of either thereof by any other nationally recognized rating agency, (b) no such debt security is outstanding or rated, or (c) an Event of Default is continuing, the public liability insurance required hereunder shall provide a minimum coverage of \$60,000,000 and Lessee may not so self-insure in aggregate policy year amounts in excess of \$4,000,000. If Lessee shall lose the right to self-insure without restriction under this Section 16 and shall subsequently be able to self-insure without restriction under this Section 16, Lessee shall give Lessor not less than ninety (90) days' prior written notice of the commencement of any self-insurance program permitted by this Section 16, which notice shall include such details about such self-insurance as Lessor may reasonably request. In addition, Lessee shall cooperate with all reasonable requests of Lessor for such information and documentation about such self-insurance program. Upon request by Lessor, Lessee shall, at Lessor's sole cost and expense for premiums, arrange for and place insurance coverage on the Equipment, assuming such insurance can be obtained, for the benefit of Lessor, under then-existing policies and with Lessee's then-existing insurance brokers with deductibles, coverages and other terms as Lessor shall request.

Any such insurance policies shall: (i) name and insure the Lessor, in its individual and trust capacities, Owner Participant, Security Trustee and each holder of a Note as additional insureds under the comprehensive public liability insurance and under the property insurance, (ii) insure the Security Trustee or, in the event the Lien of the Security Agreement has been discharged, the Lessor, as additional loss payee under a standard loss payee clause satisfactory to the Security Trustee or the Lessor, as the case may be, under the property insurance, (iii) provide insurer's waiver of its right of subrogation, set-off or counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability against any additional insured except for claims as shall arise from the willful misconduct or gross negligence of such additional insured, (iv) provide that such insurance as to the interest of the Lessor, Owner Participant, Security Trustee and each holder of a Note shall not be invalidated by any action or inaction of Lessee or any other Person (other than such claimant), regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Lessee or any other Person (other than such claimant), (v) provide that all such insurance is primary without right of contribution from any other insurance which might otherwise be maintained by the Lessor or any assignee under Section 13(b) and shall expressly provide that all provisions except the limits of liability, shall operate in the same manner as if there were a separate policy covering each

such additional insured, (vi) provide therein or by endorsement that thirty (30) days prior written notice of expiration, cancellation or modification shall be given to the Lessor, Owner Participant, Security Trustee and each holder of a Note and shall provide that such cancellation, change or modification shall not be effective during such 30 day period as to any of the Lessor, Owner Participant, Security Trustee and each holder of a Note, and (vii) provide that no additional insured shall have any obligation or liability for premiums in connection with such insurance.

Upon the execution and delivery of this Lease and thereafter within 30 days after the close of each fiscal year of Lessee (so long as Lessee shall have the right to self-insure without restriction under this Section 16), Lessee shall furnish the Lessor, Owner Participant, Security Trustee and each holder of a Note with an Officer's Certificate, in form and substance reasonably satisfactory to each such party, evidencing compliance by Lessee with the self-insurance criteria set forth in this Section 16 and setting forth the amount, if any, of insurance carried by Lessee and the amount of any deductibles or self-insurance, if any, under any such insurance and stating whether Lessee's insurance or self-insurance is consistent with prudent industry practice. In the event that Lessee shall lose the right to self-insure without restriction under this Section 16, Lessee shall furnish the Lessor, Owner Participant, Security Trustee and each holder of a Note with certificates or other satisfactory evidence of maintenance of the insurance required under this Section 16 and shall furnish binders or other formal confirmation reasonably acceptable to the Lessor evidencing renewals thereof as soon as practicable and certificates of insurance within twenty (20) days after such renewal is effected or the expiration date of the original policy or policies, as the case may be. All other terms of insurance shall be in accordance with such insurance carried by Lessee or its Affiliates with respect to other railcars in its fleet. Lessee shall furnish written notice to the Lessor, Owner Participant, Security Trustee and each holder of a Note of any notice of cancellation, material modification, termination or lapse for non-payment of premiums with respect to any of the liability insurance provided pursuant to this Section 16 within 5 Business Days after the earlier of (i) the date on which Lessee receives such notice from the insurance company providing such insurance, and (ii) the date on which Lessee has actual knowledge of any such cancellation, material modification, termination or lapse for non-payment of premiums.

If the loss (or losses from a single incident or cause) covered by said physical damage insurance is less than \$1,000,000, the proceeds of such insurance shall be payable to Lessee provided that no Default or Event of Default shall have occurred and be continuing and after the occurrence and continuance of a Default or an Event of Default such proceeds shall be paid to the Security Trustee so long as the Lien of the Security Agreement shall not have been discharged and thereafter shall be paid to the Lessor. If such loss equals or exceeds \$1,000,000, the proceeds of such insurance shall be payable to the Security Trustee or, in the event that the Lien of the Security Agreement has been discharged, the Lessor provided that the Security Trustee or the Lessor, as the case may be, shall, so long as no Default or Event of Default has occurred or is continuing, remit all such insurance proceeds to Lessee at such time as Lessee either (i) provides Lessor evidence that the damage has been repaired and the Equipment has been restored to good working order and condition or (ii) has paid to Lessor or Security Trustee, as the case may be, the amounts otherwise due to Lessor on loss of such

Equipment pursuant to Section 15(b) hereof. Lessee's obligation to maintain insurance with respect to any Item of Equipment shall commence on the Acceptance Date of such Item of Equipment and shall run until the earliest to occur of (x) the date on which such Item of Equipment is sold, pursuant to Section 19 hereof, (y) the termination of this Lease with respect to such Items of Equipment pursuant to and in accordance with Section 27 hereof, or (z) the return of the Equipment to the Lessor in accordance with Section 5 hereof; *provided* that if the liability insurance is on a claims made basis at any time during the last three years of the Lease Term, the Lessee shall provide such insurance for at least three years after the Lease Term. Lessee covenants that it will not use or operate or permit the use or operation of any Item of Equipment at any time when the insurance required by this Section 16 is not in force with respect to such Item of Equipment and will not use the Equipment in a manner which would violate the terms and provisions of such insurance policies. If Lessee shall fail to cause the insurance required under this Section 16 to be carried and maintained, Lessor may provide such insurance and Lessee shall reimburse Lessor upon demand for the cost thereof as Supplemental Rent hereunder.

Nothing in this Section 16 shall prohibit Lessor, Owner Participant, Security Trustee or a holder of a Note from obtaining insurance for its own account and any proceeds payable thereunder shall be as provided in the insurance policy relating thereto; *provided* that no such insurance may be obtained that would limit or otherwise adversely affect the coverage of any insurance to be obtained or maintained by Lessee pursuant to this Section 16.

SECTION 17. NO WARRANTIES.

LESSEE LEASES THE EQUIPMENT AS-IS, WHERE-IS WITH ALL FAULTS, AND IN WHATEVER CONDITION IT MAY BE. NEITHER LESSOR, NOT BEING THE MANUFACTURER OR VENDOR OF THE EQUIPMENT, NOR OWNER PARTICIPANT NOR SECURITY TRUSTEE MAKES OR HAS MADE OR SHALL BE DEEMED TO MAKE OR HAVE MADE, ANY REPRESENTATIONS OR WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING, WITHOUT LIMITATION, THE DESIGN, OPERATION OR CONDITION OF THE EQUIPMENT, ITS MERCHANTABILITY, VALUE, DURABILITY, SUITABILITY OR ITS FITNESS FOR ANY PARTICULAR USE OR PURPOSE, LESSOR'S TITLE THERETO, SUBJECT TO SECTION 22 HEREOF, LESSEE'S RIGHT TO THE QUIET ENJOYMENT THEREOF, THE QUALITY OF THE MATERIAL OR WORKMANSHIP OF THE EQUIPMENT, OR THE CONFORMITY OF THE EQUIPMENT TO THE PROVISIONS AND SPECIFICATIONS OF ANY PURCHASE ORDER OR ORDERS RELATING THERETO, AND EACH OF LESSOR, OWNER PARTICIPANT AND SECURITY TRUSTEE HEREBY DISCLAIMS ANY SUCH REPRESENTATION OR WARRANTY (WHICH DISCLAIMER LESSEE HEREBY ACKNOWLEDGES). WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, NEITHER LESSOR NOR OWNER PARTICIPANT NOR SECURITY TRUSTEE SHALL BE LIABLE OR RESPONSIBLE FOR ANY DEFECTS, EITHER PATENT OR LATENT (WHETHER OR NOT DISCOVERABLE BY LESSEE), IN THE EQUIPMENT, OR FOR ANY INTERRUPTION IN LESSEE'S BUSINESS CAUSED BY LESSEE'S INABILITY TO USE THE EQUIPMENT FOR ANY REASON WHATSOEVER, ALL OF WHICH ITEMS OF EQUIPMENT WERE SELECTED BY LESSEE ON THE BASIS OF ITS OWN JUDGMENT WITHOUT RELIANCE UPON ANY STATEMENTS, REPRESENTATIONS OR WARRANTIES MADE BY OWNER TRUSTEE, OWNER PARTICIPANT OR SECURITY TRUSTEE, IT BEING AGREED THAT ALL SUCH RISKS, AS

BETWEEN LESSOR, WHETHER IN ITS INDIVIDUAL CAPACITY OR AS TRUSTEE, OWNER PARTICIPANT, SECURITY TRUSTEE AND THE HOLDER OF ANY NOTE ON THE ONE HAND AND LESSEE ON THE OTHER HAND, ARE TO BE BORNE BY LESSEE.

Neither Lessor, Owner Participant nor Security Trustee shall have any responsibility or liability to Lessee or any other Person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Item of Equipment or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Item of Equipment or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Item of Equipment. Lessee's delivery of a Lease Supplement relating to an Item of Equipment shall be conclusive evidence as between Lessee and Lessor that such Item of Equipment is in all respects satisfactory to Lessee, and Lessee will not assert any claim of any nature whatsoever against Lessor, Owner Participant or Security Trustee based on any of the foregoing matters.

So long as an Event of Default shall not have occurred and be continuing, and so long as the Equipment shall be subject to this Lease and Lessee shall be entitled to possession of the Equipment hereunder, Lessor authorizes Lessee, at Lessee's expense, to assert for Lessor's account, all rights and powers of Lessor under any manufacturer's, vendor's or dealer's warranty on the Equipment or any part thereof; *provided, however*, that Lessee shall indemnify, protect, save, defend and hold harmless Lessor and Owner Participant from and against any and all claims, and all costs, expenses, damages, losses and liabilities incurred or suffered by Lessor and Owner Participant in connection therewith, as a result of, or incident to, any action by Lessee pursuant to the foregoing authorization, and that Lessee shall provide Lessor with prior written notice of any action Lessee proposes to take on Lessor's behalf pursuant to the foregoing authorization. Any payments made by any such vendor or manufacturer pursuant to such warranty for any Item of Equipment shall be payable to Lessee so long as no Default or Event of Default shall have occurred and be continuing and after the occurrence and continuance of a Default or an Event of Default shall be paid to the Security Trustee so long as the Lien of the Security Agreement shall not have been discharged and thereafter shall be paid to the Lessor. Such payment is to be used to repair or replace damaged components in accordance with Section 11 hereof, if feasible, and if not used, such amount shall be paid promptly to Lessor.

SECTION 18. EVENTS OF DEFAULT.

Any of the following events shall constitute an Event of Default (whether any such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any applicable law):

- (a) Lessee shall fail to make any payment of Interim Rent, Fixed Rent, Stipulated Loss Value, Termination Value or Make-Whole Premium within ten (10) Business Days after the same is due and payable or any Supplemental Rent (other than

Stipulated Loss Value or Termination Value or Make-Whole Premium) within thirty (30) days after receipt of written notice by Lessee; or

(b) Lessee shall fail to observe or perform any of the covenants or agreements of Lessee set forth in the first and second paragraphs of Section 16; or

(c) any representation or warranty made by Lessee herein, or in any Lessee Agreement (other than the Tax Indemnification Agreement) or any certificate furnished in connection herewith or therewith shall prove to have been incorrect in any material respect when such was made; or

(d) Lessee shall fail to perform or observe any covenant, condition, or agreement to be performed or observed by it under any Lessee Agreement, or in any agreement or certificate furnished in connection herewith, and such failure shall continue unremedied for thirty (30) days after receipt of written notice sent by the Lessor or the Security Trustee to the Lessee specifying such failure and demanding the same to be remedied; *provided that*, no such default shall be deemed an Event of Default if (i) such default is curable other than by the payment of money but cannot be cured within such thirty (30) day period, (ii) such default does not impair in any material respect the Lessor's interest in the Equipment or the security interest of the Security Trustee created pursuant to the Security Agreement, and (iii) Lessee is diligently pursuing such cure and effects such cure within 180 days of the date of such default or before the last day of the Lease Term, whichever shall occur first; or

(e) Lessee becomes insolvent (however such insolvency may be evidenced) or admits insolvency or bankruptcy or its inability to pay its debts as they mature, makes an assignment for the benefit of creditors or applies for or consents to the appointment of a custodian, trustee or receiver for Lessee, or for the major part of its property or commences a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect;

(f) a proceeding shall have been instituted in a court having jurisdiction in the premises, seeking a decree or order (i) for relief in respect of Lessee in an involuntary case under any applicable bankruptcy, reorganization, insolvency or other similar law now or hereafter in effect or (ii) for the appointment of a custodian, receiver, trustee or similar official of Lessee or of its property, or (iii) for the winding up or liquidation of the affairs of Lessee, and either (I) any such proceeding shall remain undismissed or unstayed and in effect for a period of 90 consecutive days or (II) such court shall enter a decree or order granting the relief sought in such proceeding or Lessee shall consent to such entry; or

(g) The Security Agreement shall cease to be in full force and effect for any reason whatsoever, including, without limitation, a determination by any governmental body or court that such Agreement is invalid, void or unenforceable or, except with respect to Permitted Encumbrances, the Lien of the Security Agreement shall cease to constitute a first priority perfected lien of the Security Trustee for the

benefit of the holders of the Notes on the Collateral; *provided* that it shall not be an Event of Default under this Lease if any of the events described in this clause (g) occur solely as a result of an Event of Default described in Section 7.1(g) of the Security Agreement.

SECTION 19. REMEDIES UPON DEFAULT.

Upon the occurrence of any Event of Default, and at any time thereafter so long as such Event of Default shall not have been remedied, Lessor may, at its option, by written notice to Lessee, exercise any one or more of the following remedies as Lessor in its sole discretion shall elect (*provided* that this Lease shall automatically be deemed to be declared in default without the necessity of such written notice upon the occurrence of any Event of Default described in Section 18(e) or (f)):

(a) Lessor may terminate or cancel this Lease, without prejudice to any other remedies of Lessor hereunder, with respect to all or any Item of Equipment, and may enter the premises of Lessee to take immediate possession of the Equipment and remove all or any Item of Equipment by summary proceedings or otherwise, or may cause Lessee, at Lessee's expense, to surrender and deliver possession of the Equipment or such Item in the same manner as provided in Section 5 hereof;

(b) Lessor may hold, keep idle or lease to others the Equipment or any Item of Equipment, as Lessor in its sole discretion may determine, free and clear of any rights of Lessee and without any duty to account to Lessee with respect to such action or inaction or for any proceeds with respect thereto, except that Lessee's obligation to pay Fixed Rent payable after Lessee shall have been deprived of possession pursuant to this Section 19 shall be reduced by the net proceeds, if any, received by Lessor from leasing the Equipment or such Item to any Person other than Lessee after Lessee shall have been so deprived of possession;

(c) Lessor may sell any Item of Equipment at public or private sale as Lessor may determine, free and clear of any rights of Lessee, and Lessee shall pay to Lessor all unpaid Fixed Rent payable up to and including the Rent Payment Date coincident with or immediately preceding the date of such sale, plus, as liquidated damages for loss of a bargain and not as a penalty (in lieu of the Fixed Rent for such Item sold payable after such Rent Payment Date), an amount equal to (A) the excess, if any, of (i) the Stipulated Loss Value of such Item so sold, computed as of the Rent Payment Date coincident with or immediately preceding the date of such sale, over (ii) the net proceeds of such sale, plus (B) interest on such Stipulated Loss Value from such Rent Payment Date to the date of sale at the Late Rate, plus (C) all other Rent then due;

(d) Lessor, by written notice to Lessee, may demand that Lessee pay to Lessor, and Lessee shall pay to Lessor on the date specified in such notice (the "*Payment Date*") all unpaid Fixed Rent payable up to and including the Payment Date plus, as liquidated damages for loss of a bargain and not as a penalty (in lieu of the Fixed Rent for any Item of Equipment payable after the Payment Date and in lieu of

the exercise by Lessor of its rights under such subsection (c) above with respect to such Item of Equipment), whichever of the following amounts Lessor, in its sole discretion, shall specify in such notice: (i) an amount, with respect to such Item of Equipment, equal to (A) the excess, if any, of the Fixed Rent payable for such Item of Equipment for the remainder of the then current Lease Term, over the Fair Market Rental Value of such Item of Equipment for the remainder of the then current Lease Term, after discounting such excess to present worth as of the Payment Date at the lower of (I) the Prime Rate and (II) the interest rate of the Notes plus (B) all other Rent then due; or (ii) an amount, with respect to each Item of Equipment, equal to (A) the excess, if any, of the Stipulated Loss Value of such Item of Equipment computed as of the Rent Payment Date coincident with or next preceding the Payment Date, over the Fair Market Sales Value of the Equipment as of the Payment Date, plus (B) interest on such Stipulated Loss Value from such Rent Payment Date to the Payment Date at the Late Rate, plus (C) all other Rent then due;

(e) Lessor may proceed by appropriate court action to enforce the terms hereof or to recover damages for the breach hereof or to rescind this Lease; and

(f) Lessor may exercise any other right or remedy which may be available to it under applicable law.

No remedy referred to in this Section 19 is intended to be exclusive, but each shall be cumulative and may be exercised concurrently or consecutively and shall be in addition to any other remedy referred to above or otherwise available to Lessor at law or in equity, and the exercise in whole or in part by Lessor of any one or more of such remedies shall not preclude the simultaneous or later exercise by Lessor of any or all such other remedies. Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is effective under applicable law. Lessee hereby waives any and all existing or future claims to any offset against the Rent payments due hereunder, and agrees to make such payments regardless of any offset or claim which may be asserted by Lessee or on its behalf. Except as otherwise provided in this Lease, Lessee, to the full extent effective under applicable law, hereby waives all statutory or other legal requirements for any notice of any kind, any other requirements with respect to the enforcement of Lessor's rights under this Lease and any and all rights of redemption. No waiver by Lessor of any Event of Default hereunder shall in any way be, or be construed to be, a waiver of any future or subsequent Event of Default.

In addition, the Lessee shall be liable for any and all unpaid Rent due hereunder before or during the exercise of any of the foregoing remedies, including during the appeal or enforcement of any judgment, and for all reasonable legal fees and other costs and expenses incurred by reason of the occurrence of any Default or Event of Default or the exercise of the Lessor's remedies with respect thereto, including without limitation, the repayment in full of any costs and expenses necessary to be expended in repairing or modifying any Item in order to cause it to be in compliance with all maintenance and regulatory standards imposed by this Lease.

Upon the date of termination of this Lease by Lessor pursuant to Section 19(a), Lessee shall, without expense to the Lessor, promptly redeliver the Items of Equipment or cause the Items of Equipment to be redelivered, to the Lessor with all reasonable dispatch, in the same manner and in the same condition as if such Items of Equipment were being redelivered on the last day of the Lease Term in accordance with the provisions of Section 5, and all obligations of the Lessee under Section 5 shall apply to such redelivery. Lessor, without further notice, may, but shall be under no obligation to, retake such Items of Equipment wherever found, without the Lessor incurring any liability by reason of such retaking, whether for the restoration of damage to property caused by such retaking or otherwise.

Without in any way limiting the obligation of Lessee under the foregoing provisions of this Section, Lessee hereby irrevocably appoints Lessor as the agent and attorney of Lessee with full power and authority to, upon the occurrence and continuance of an Event of Default hereunder, exercise Lessor's rights under this Section, at any time while Lessee is obligated to deliver possession of any Item of Equipment to Lessor, to demand and take possession of such Item of Equipment in the name and on behalf of Lessee from whomever shall then be in possession of such Item.

SECTION 20. LESSOR'S RIGHT TO PERFORM FOR LESSEE.

If Lessee fails to perform or comply with any of its agreements or covenants contained herein, Lessor may (but shall not be obligated to) itself, after notice to Lessee, perform or comply with such agreement or covenant or make advances to perform the same, and the amount of the reasonable expenses of Lessor incurred in connection with the performance of or compliance with such agreement or covenants, shall, if not paid by Lessee to Lessor on demand, be payable as Supplemental Rent hereunder.

SECTION 21. LATE CHARGES.

Lessee shall pay to Lessor as Supplemental Rent, to the extent permitted by applicable law, interest on any amount of Interim Rent, Fixed Rent and any Supplemental Rent which is not paid when due, for any period for which the same is overdue (without regard to any grace period) at a rate equal to the Late Rate.

SECTION 22. COVENANT OF QUIET ENJOYMENT.

During the Lease Term of any Item of Equipment hereunder and so long as no Default or Event of Default has occurred and is continuing, Lessor covenants and agrees that Lessee shall have the right to uninterrupted use and enjoyment of such Item on the terms and conditions provided herein without any interference from Lessor or Owner Participant or those claiming through or against Lessor (other than Security Trustee and Noteholders and claims of mechanics, suppliers, materialmen and laborers for work or services performed or materials furnished in connection with the Equipment or any Item thereof which are claims by or through the Lessor). For purposes of this Section 22, the delivery of notices of

default or nonperformance delivered under and pursuant to Section 18 shall not be deemed to constitute a violation of this Section 22.

SECTION 23. OTHER DOCUMENTS.

Except as otherwise provided herein, Lessee will, at Lessee's expense, execute and deliver to Lessor such other documents and take such other actions as may be reasonably requested by Lessor in order to effectuate the intent of this Lease, including, without limitation, such amendments to this Lease, and Uniform Commercial Code financing statements and continuation statements and any filings required by the ICC or the AAR.

SECTION 24. NOTICES AND REQUESTS.

Unless otherwise expressly specified or permitted by the terms hereof, all communications and notices provided for herein shall be given and effective as provided in Section 9.2 of the Participation Agreement.

SECTION 25. LESSEE'S RENEWAL AND PURCHASE OPTIONS.

(a) *Lessee's Renewal Option.* If no Default or Event of Default shall have occurred and be continuing (at the time of the notice referenced below or of the commencement of the Renewal Term), and this Lease shall not have been earlier terminated, Lessee shall be entitled, at its option upon written notice to Lessor, as hereinafter provided, to renew this Lease in accordance with the following terms:

(i) commencing at the end of the Basic Term with respect to the Fixed Rate Renewal Rent Rate option described in clause (1) below and at the end of the Basic Term or any Renewal Term with respect to the Fair Market Renewal Rent Rate option described in clause (2) below, Lessee shall have the option to renew this Lease for a period of not less than one year nor more than five years (1) with respect to all, or if less than all not less than 120 nor more than an amount sufficient to continue to subject at least 120 Items of Equipment to this Lease (the "*Maximum Renewal and Purchase Amount*"), chosen on a random basis, and the Fixed Rent payable during the Renewal Term for any Item of Equipment renewed pursuant to this clause (1) shall be at a rate payable in arrears equal to 50% of the average amount of each installment of Fixed Rent payable in respect of such Item of Equipment during the Basic Term ("*Fixed Rate Renewal Rent Rate*") or (2) with respect to all, or if less than all not less than 120 nor more than the Maximum Renewal and Purchase Amount, chosen on a random basis, and the Fixed Rent payable during any Renewal Term for any Item of Equipment renewed pursuant to this clause (2) shall be at a rate payable in arrears equal to such Item of Equipment's Fair Market Rental Value ("*Fair Market Renewal Rent Rate*");

(ii) in no event shall (1) such Renewal Term when added to the Interim Term, the Basic Term and all prior Renewal Terms exceed 80% of the economic life

of such Item(s) of Equipment and (2) the expected aggregate residual value of such Equipment at the end of such Renewal Term be an amount less than 20% of the aggregate Purchase Price of such Equipment (without regard to inflation or deflation occurring or expected to occur from the Acceptance Date until the end of the Renewal Term) determined in each case in the manner described in Section 25(c) hereof.

Except as stated above, all of the provisions of this Lease (other than Section 27) shall be applicable during each Renewal Term for each Item of Equipment. Stipulated Loss Values and Termination Values for each Item of Equipment on any Rent Payment Date during any Renewal Term under the Fixed Rate Renewal Rent Rate option shall be an amount equal to Stipulated Loss Value or the Termination Value, as the case may be, for such Item of Equipment determined as of the last Rent Payment Date of the Basic Term. Stipulated Loss Values and Termination Values for each Item of Equipment on any Rent Payment Date during any Renewal Term under the Fair Market Renewal Rent Rate option shall be an amount equal to the higher of (x) the Fair Market Sales Value thereof or (y) the Stipulated Loss Value or the Termination Value, as the case may be, for such Item of Equipment determined as of the last Rent Payment Date of the Basic Term. If Lessee will exercise said renewal option with respect to any Renewal Term, Lessee shall give irrevocable written notice to Lessor to such effect not less than two hundred forty (240) days nor more than three hundred sixty-five (365) days prior to the expiration of the Basic Term and any Renewal Term.

(b) *Lessee's Purchase Option.* (i) If (x) no Default or Event of Default shall have occurred and be continuing, and (y) this Lease shall not have been earlier terminated, Lessee shall be entitled, at its option, upon irrevocable written notice to Lessor as hereinafter provided, to purchase all, or if less than all not less than 120 nor more than the Maximum Renewal and Purchase Amount, of the Items of Equipment then subject to this Lease, chosen on a random basis, on the date immediately following the date of the expiration of any Renewal Term of each such Item of Equipment, for an amount, with respect to each such Item of Equipment, payable in immediately available funds, equal to the Fair Market Sales Value thereof determined in accordance with Section 25(c) hereof *plus* any applicable sales, use, transfer, documentary, recording excise or other taxes imposed as a result of such sale (other than those taxes for which Lessee is not liable pursuant to Section 6 of the Participation Agreement).

(ii) If (x) no Default or Event of Default shall have occurred and be continuing, (y) this Lease shall not have been earlier terminated, and (z) Lessee shall have determined in good faith, pursuant to Section 11 herein, that any Required Modification to an Item of Equipment would be economically impractical, Lessee shall be entitled, at its option, upon irrevocable written notice to Lessor as hereinafter provided, to purchase all of the Items of Equipment then subject to this Lease and which require such Required Modification, on the next scheduled Rent Payment Date for such Equipment, for an amount, with respect to each such Item of Equipment, payable in immediately available funds, equal to the greater of the then applicable Fair Market Sales Value and the then applicable Termination Value plus any amounts payable pursuant to Section 6.2(d) of the Security Agreement, and any applicable

sales, use, transfer, documentary, recording, excise or other taxes imposed as a result of such sale (other than net income taxes attributable to such sale).

(iii) If Lessee intends to exercise its purchase option under Section 25(b)(i), Lessee shall give irrevocable written notice to Lessor to such effect not less than two hundred forty (240) nor more than three hundred sixty-five (365) days prior to the expiration of the Renewal Term of such Item(s) of Equipment. If Lessee intends to exercise its purchase option under Section 25(b)(ii), Lessee shall give irrevocable written notice to Lessor to such effect not less than 30 nor more than 179 days prior to exercising said option. In the event that Lessee exercises either purchase option under this Section 25(b), Lessor shall execute and deliver to Lessee a bill of sale, in which Lessor transfers the applicable Item to Lessee "as is" and "where-is" and represents only that it is transferring whatever title was transferred to it, free and clear of all Lessor's Liens, upon payment of the sale price by Lessee and all other Rent then due.

(c) *Determination of Fair Market Sales Value and Fair Market Rental Value; Appraisal Procedure.* If Lessee intends to exercise its renewal option, as provided in Section 25(a) hereof, or intends to exercise its purchase option, as provided in Section 25(b) hereof, then at least 270 days prior to the expiration of the Basic Term or any Renewal Term, Lessee shall select an appraiser mutually acceptable to Lessor for the purpose of determining the Fair Market Rental Value or Fair Market Sales Value, as the case may be, of each such Item of Equipment as of the end of the Basic Term thereof, or, if this Lease has been renewed pursuant to Section 25(a) hereof, then as of the end of the then current Renewal Term thereof, and the economic life and residual value of such Equipment as set forth in Section 25(a). For the purposes of determining the economic life and the residual value of the Equipment, all non-severable improvements made by the Lessee, other than improvements required by law or required to maintain the Equipment in the condition required by this Lease, shall be ignored.

In the event Lessor and Lessee fail to agree upon a qualified independent appraiser within 30 days of Lessee's notice of intent to exercise either its renewal or purchase option (such 30-day period being herein referred to as the "*Initial Selection Period*"), each party shall appoint an independent appraiser (an "*Independent Appraiser*") within 15 Business Days after the end of the Initial Selection Period, and the two appraisers so appointed shall within 30 days after the end of the Initial Selection Period appoint a third independent appraiser (the "*Third Independent Appraiser*"). If no Third Independent Appraiser is appointed within 30 days after the end of the Initial Selection Period, either party may request the American Arbitration Association to appoint a Third Independent Appraiser (which Third Independent Appraiser may be the American Arbitration Association), and both parties shall be bound by any such appointment.

Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Sales Value and/or the Fair Market Rental Value, as the case may be, and the economic life or residual value, if applicable, of such Item(s) of Equipment within 30 days after the appointment of such appraiser(s). If the parties shall have appointed a single appraiser, such appraiser's determination of such values and

economic life shall be final and binding. If three appraisers shall be appointed, the values determined by the three appraisers shall be averaged, and, unless such average shall equal the values determined by the middle appraisal (in which event such average shall be final and binding), the determination which differs most from such average shall be excluded, the remaining two determinations shall be averaged and such average shall be final and binding. The fees and expenses of any appraiser appointed under this Section 25(c) shall be paid for as follows: (i) if the parties shall have elected a single appraiser, the appraisal fees and expenses incurred in connection with such appraiser shall be paid by Lessee, (ii) if Lessee and Lessor each select an Independent Appraiser, each party shall pay the respective fees and expenses incurred in connection with such Independent Appraiser selected by it, and (iii) the fees and expenses incurred in connection with any Third Independent Appraiser and in connection with any American Arbitration Association appointment shall be shared equally by Lessee and Lessor. The above-described procedure shall be from time to time referred to as the "*Appraisal Procedure*".

SECTION 26. FINANCIAL INFORMATION; REPORTS.

(a) Lessee agrees to furnish Lessor, the Owner Participant, the Security Trustee and each holder of a Note, in duplicate, (1) within 90 days after the close of its fiscal year, an annual report of Lessee, consisting of its audited financial statements including balance sheets as of the end of such fiscal year, statements of income and cash flows for the year then ended with all notes thereto in each case certified as true and correct by the auditor thereof; (2) within 45 days after the close of each of the first three quarterly periods of Lessee's fiscal year, a balance sheet of Lessee as of the end of such quarter, and comparative statements of income and cash flows for such quarter; (3) promptly upon Lessee obtaining knowledge that there has occurred and is continuing any condition, event, act or omission which constitutes a Default or an Event of Default or a Lien (other than Permitted Encumbrances) on the Equipment, notice of such condition, event, act or omission and the steps which Lessee has taken or is taking to remedy the same; and (4) such additional information concerning the location, condition, use and operation of the Equipment and financial condition and operations of Lessee as Lessor, Security Trustee or such holder may from time to time reasonably request.

(b) Lessee shall permit any person designated by Lessor to visit and inspect the Equipment and the records (and to make copies thereof) maintained in connection therewith, all at such reasonable times as Lessor may reasonably request; *provided that*, so long as no Default or Event of Default under this Lease shall have occurred and be continuing, Lessee shall be provided with at least three Business Days written notice of any such visit or inspection.

SECTION 27. VOLUNTARY TERMINATION FOR OBSOLESCENCE.

(a) *Right of Termination.* So long as no Default or Event of Default shall have occurred and be continuing hereunder, Lessee shall have the right, by giving at least ninety (90) days' prior written notice to Lessor, at its option, to terminate this Lease on or after

April 27, 2000 with respect to all, or if less than all not less than 120 nor more than the Maximum Renewal and Purchase Amount, of the Items of Equipment then leased hereunder chosen on a random basis if, in Lessee's good faith opinion as evidenced by a certificate of the President, any Vice President or the Chairman of the Board of the Lessee, such Items shall have become obsolete or surplus to Lessee's needs, such termination to be effective on the Rent Payment Date specified in such notice (for purposes of this Section 27, called the "termination date"), upon payment to Lessor of the sum of (i) the installment of Fixed Rent due on such termination date, (ii) any other Rent or other sums then due and owing, (iii) an amount equal to the Termination Value of such Equipment as of the termination date, and (iv) an amount equal to the Make Whole Premium then due and payable by Lessor on the Notes under and pursuant to Section 6.2(a) of the Security Agreement. If Lessee shall fail to pay all amounts due under and pursuant to this Section 27(a), this Lease shall continue in full force and effect and it shall be deemed that Lessee has revoked its notice of termination. Lessee shall not be entitled to give notice of its intention to terminate this Lease pursuant to this Section 27 and/or Section 29 hereof more than one time during any 12 consecutive month period during the Lease Term and a maximum of three times during the Lease Term. During the period from the giving of such notice until the termination date, Lessee, as non-exclusive agent for Lessor, shall use its reasonable efforts to secure the highest obtainable bids for the purchase of such Items and in the event it receives any bid during such period, Lessee shall promptly certify to Lessor in writing the amount and terms of such bid and the name and address of the party submitting such bid. Lessor or the Owner Participant may obtain bids, but shall be under no duty to solicit bids, inquire into the efforts of Lessee to obtain bids or otherwise take any action in connection with arranging such sale. Neither Lessee nor any person, firm or corporation, affiliated with or having an understanding regarding the use of such Items with Lessee, may purchase any such Item(s) of Equipment. Lessee may, on up to two (2) occasions, revoke its notice of termination under this Section by providing Lessor written notice of such revocation at least 30 days prior to the applicable termination date.

(b) *Sale of Equipment and Termination of Lease.* Upon, but not until, payment by the Lessee of all sums required to be paid pursuant to Section 27(a), including without limitation the Make Whole Premium payable thereunder, Lessor shall sell the Equipment for cash to the highest bidder certified by Lessee or obtained by Lessor or the Owner Participant and the net proceeds realized at such sale (after deduction of all reasonable out-of-pocket costs incurred by the Lessor or the Owner Participant) in an amount equal to the sum of the amounts specified in clause (iii) of the first sentence of the first paragraph of this Section 27 shall be retained by Lessee and any proceeds in excess of such amounts specified in such clause shall be retained by Lessor. On the termination date, upon payment in full of the sums required by this Section 27, Lessee shall request the Security Trustee, so long as the Lien of the Security Agreement remains undischarged, to execute a release of such Item(s) from the Lien of the Security Agreement and Lessee shall deliver possession of such Item(s) to the bidder, if any, which shall have submitted the highest bid during such period in compliance with Section 5 hereof, and Lessor shall, without recourse or warranty, simultaneously therewith sell such Item(s) on an "as-is", "where-is" basis for cash to such bidder. Upon, but not until, disposition of the Equipment and payment of the sums required by this Section 27, including without limitation the Make Whole Premium payable

thereunder, this Lease shall terminate with respect to the Equipment. In disposing of the Equipment pursuant to this Section, Lessee shall take such action as Lessor or the Owner Participant shall reasonably request to terminate any contingent liability which Lessor or the Owner Participant might have arising after such disposition.

(c) *Right of Lessor to Retain Terminated Items.* Notwithstanding the foregoing provisions of this Section 27(a) and (b), Lessor may, within 45 days after Lessee's notice of termination under this Section 27, notify the Lessee in writing of its preemptive election to take possession of such Items of Equipment on the termination date; *provided* that Lessor may not so elect unless it shall simultaneously (i) agree to provide the funds necessary to prepay the Notes in an amount equal to the Loan Value of such Items on or before the termination date, and (ii) provide to Lessee evidence to Lessee's satisfaction that funds have been set aside for the payment provided in clause (i) above. Lessee shall pay the premium, if any, on the Notes required to be paid by the Lessor pursuant to Section 6.2(a) of the Security Agreement. If Lessor has not, after making its preemptive election referred to above, caused the Notes (including, without limitation, premium, if any) to be paid on or before the termination date and thereby caused this Lease to terminate, the Lessee shall on the termination date pay the amounts required to be paid by the first sentence of Section 27(a) hereof, and thereupon this Lease shall terminate with respect to such Items of Equipment. Upon receipt of such notice (and, in the case of the Lessee, evidence that the conditions of the proviso to the third preceding sentence have been satisfied), Lessee and Lessor shall cease efforts to obtain bids as provided above and shall reject all other bids theretofore or thereafter received. If the Lessor shall have made such election, on the termination date, Lessee shall deliver the Equipment to Lessor in accordance with Section 5(a) hereof and shall pay all Rent due with respect to the Equipment, whereupon the obligation of Lessee to pay Fixed Rent due and payable after the termination date with respect to such Equipment shall cease and from and after the termination date such Equipment shall no longer be subject to this Lease. It shall be an absolute condition precedent to Lessee's right to terminate this Lease and Lessor's right to retain the Equipment under this Section 27(c) that on the termination date the Lessor shall have received and paid to the Security Trustee funds of the type specified in this Section 27 in an amount sufficient to enable it to prepay the Notes in an amount equal to the Loan Value of such Equipment, together with accrued interest thereon to such date and premium, if any, pursuant to Section 6.2(a) of the Security Agreement, plus all other sums then due and payable by the Lessee or the Lessor on such date under the Operative Agreements. If Lessee or the Lessor, as the case may be, shall fail to pay all amounts due and owing under the provisions of this Section 27(c), this Lease shall continue in full force and effect and it shall be deemed that Lessee has rescinded its notice of termination.

SECTION 28. CONSOLIDATION, MERGER AND SALE OF ALL ASSETS.

Lessee will not merge or consolidate with any other corporation or sell, lease or otherwise dispose of all or substantially all of its assets to any person, firm or corporation unless (a) immediately after such transaction, no Default or Event of Default shall have occurred and be continuing, (b) such consolidation, merger, sale or disposition will not materially and adversely affect the ability of the surviving or acquiring corporation to

perform its obligations under the Operative Agreements and (c) the corporation which is to be the surviving or acquiring corporation in such transaction (i) shall be a corporation organized and existing under the laws of the United States of America or a state thereof, and (ii) shall, if the surviving or acquiring corporation is other than Lessee, by agreement in writing, satisfactory to the Participants, expressly assume the due and punctual payment of the Rent and other sums due and to become due under this Lease, the Participation Agreement and the Tax Indemnification Agreement and the Participants shall have received an opinion of counsel reasonably satisfactory to the Participants, in form and substance reasonably satisfactory to them, to the effect that the instrument of assumption has been duly authorized, executed and delivered and constitutes the legal, valid and binding contract and agreement of the surviving corporation enforceable in accordance with its terms, except as enforcement of such terms may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally.

SECTION 29. SPECIAL TERMINATION.

(a) *Right of Termination.* So long as no Default or Event of Default shall have occurred and be continuing hereunder, in the event that (i) an indemnity payment in respect of Indemnified Value-Added Taxes is payable by the Lessee pursuant to Section 6 of the Participation Agreement or rentals are to be adjusted pursuant to Section 6(e) of the Participation Agreement, (ii) Lessor has not waived its right to such indemnity or rental adjustment pursuant to Section 6 of the Participation Agreement, (iii) the present value (using a discount rate equal to the interest rate on the Notes) of such indemnity payment over the remaining term of the Lease would exceed \$100,000, and (iv) such Indemnified Value-Added Taxes would be avoided (it being understood and agreed that any Value Added Taxes imposed upon (a) the proceeds received by Lessor from a purchase of the Equipment by Lessee or (b) income of Lessee derived in part from ownership and use of the purchased Equipment in its business shall not cause Lessee to fail to meet the requirements of this clause (iv)) if the Lessee were to become the owner of the Items of Equipment, Lessee shall have the right on not more than 360 and not less than one hundred twenty (120) days' prior irrevocable written notice to Lessor, to terminate this Lease with respect to all Items of Equipment then leased hereunder and shall have the right to purchase such Equipment, such termination and purchase to be effective on the Rent Payment Date specified in such notice (for purposes of this Section 29, called the "*special termination date*"), upon payment to Lessor of the sum of (i) the installment of Fixed Rent due on such special termination date, (ii) any other Rent or other sums then due and owing, (iii) the Termination Value of such Equipment as of the special termination date, and (iv) an amount equal to the Make Whole Premium then due and payable by Lessor on the Notes under and pursuant to Section 6.2(b) of the Security Agreement. If Lessee shall fail to pay all amounts due under and pursuant to this Section 29(a), this Lease shall continue in full force and effect and it shall be deemed that Lessee has rescinded its notice of termination.

(b) *Termination of Lease.* On the special termination date, upon payment in full of the sums required by this Section 29, Lessee shall request the Security Trustee, so long as the Lien of the Security Agreement remains undischarged, to execute a release of such Item(s) from the Lien of the Security Agreement. Upon, but not until, payment of the sums

required by this Section 29, including without limitation the Make Whole Premium payable thereunder, this Lease shall terminate with respect to the Equipment.

SECTION 30. MISCELLANEOUS.

Each party agrees that the other party shall not by act, delay, omission or otherwise be deemed to have waived any of its rights or remedies hereunder unless such waiver is given in writing. A waiver on one occasion shall not be construed to be a waiver on any other occasion. The captions in this Lease are for convenience of reference only and shall not be deemed to affect the meaning or construction of any of the provisions hereof. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating or diminishing Lessor's or Lessee's rights under the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. No term or provision of this Lease may be amended, altered, waived, discharged or terminated orally, but may be amended, altered, waived, discharged or terminated only by an instrument in writing signed by a duly authorized officer of the party against which the enforcement of the amendment, alteration, waiver, discharge or termination is sought. All of the covenants, conditions and obligations contained in this Lease shall be binding upon and shall inure to the benefit of the respective successors and assigns of Lessor and Lessee. This Lease, each Lease Supplement and each related instrument, document, agreement and certificate, collectively constitute the entire agreement of Lessor and Lessee with respect to the acquisition and leasing of the Equipment, and cancel and supersede any and all prior oral or written understandings with respect thereto. This Lease shall in all respects be governed by, and construed in accordance with, the laws of the State of Michigan, including all matters of construction, validity and performance.

SECTION 31. THIRD-PARTY BENEFICIARIES.

Nothing in this Lease shall be deemed to create any right in any Person not a party hereto (other than Owner Participant, Security Trustee and each holder from time to time of a Note and the permitted successors and assigns of any such person and any party hereto) and this instrument shall not be construed in any respect to be a contract in whole or in part for the benefit of a third party except as aforesaid.

SECTION 32. LIABILITY OF LESSOR LIMITED.

It is expressly agreed, anything herein to the contrary notwithstanding, that each and all of the representations, warranties, covenants, undertakings and agreements herein made on the part of Lessor are made and intended not as personal representations, warranties, covenants, undertakings and agreements by First Security Bank of Utah, National Association or the Owner Participant or for the purpose or with the intention of binding First Security Bank of Utah, National Association personally or the Owner Participant, but are made and intended for the purpose of binding only the Trust Estate, and this Lease is

executed and delivered by First Security Bank of Utah, National Association not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and no personal liability or personal responsibility in the case of willful misconduct or gross negligence (other than with respect to the handling of funds, in which case Lessor shall be accountable for its failure to exercise ordinary care), is assumed by or shall at any time be asserted or enforceable against First Security Bank of Utah, National Association on account of this Lease or on account of any representation, warranty, covenant, undertaking or agreement of Lessor, either expressed or implied herein, all such personal liability, if any, being expressly waived and released by Lessee and by all persons claiming by, through or under it, and that all recourse against First Security Bank of Utah, National Association under this Lease shall be limited to the Trust Estate.

SECTION 33. EXECUTION.

This Lease may be executed in any number of counterparts and by the different parties hereto on separate counterparts (or upon separate signature pages bound together into one or more counterparts), each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. To the extent, if any, that this Lease or any Lease Supplement constitutes chattel paper or other collateral within the meaning of the Uniform Commercial Code (or other law respecting security interests) as in effect in any applicable jurisdiction, no security interest in Lessor's interest under this Lease or any such Lease Supplement may be created through the transfer or possession of any counterpart of this Lease or such Supplement other than the original executed Counterpart No. 1 hereof or thereof which shall be identified on the cover, the receipt of which is acknowledged by the Security Trustee.

GENERAL PROVISIONS

The following terms shall have the following meanings for all purposes of the Operative Agreements referred to below, unless otherwise defined in an Operative Agreement or the context thereof shall otherwise require. In the case of any conflict between the provisions of this Definition Annex and the provisions of the main body of any Operative Agreement, the provisions of the main body of such Operative Agreement shall control the construction of such Operative Agreement.

Unless the context otherwise requires, (i) references to agreements shall be deemed to mean and include such agreements as the same may be amended and supplemented from time to time, and (ii) references to parties to agreements shall be deemed to include the successors and permitted assigns of such parties.

DEFINED TERMS

"AAR" shall mean the Association of American Railroads or any successor thereto.

"*Acceptance Date*" for each Item of Equipment means the date on which Lessee has accepted such Item for lease under the Lease, as evidenced by Lessee's execution and delivery of a Lease Supplement for such Item dated such date.

The term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, firm or corporation, whether through the ownership of voting securities, by contract or otherwise.

"*After-Tax Basis*" means on a basis such that any payment to be received or deemed to be received shall be supplemented by a further payment so that the sum of the two payments, after deducting from such payments the amount of all taxes resulting from receipt or accrual of such payments (net of any current credits or deductions or other tax benefits arising therefrom, to the extent actually realized), assuming that the Person receiving such payments is subject to taxes at the highest marginal rate applicable to corporations, shall be equal to the payments to be received or deemed to have been received.

"Assigned Agreement" shall mean the Lease and all of the other agreements referred to in Division III of the Granting Clauses of the Security Agreement.

"Code" shall mean the Internal Revenue Code of 1986, as amended, and any successor code.

"Collateral" shall have the meaning specified in the Granting Clauses of the Security Agreement.
